

**ENERGYLINE LTD
QUALITY POLICY STATEMENT**

Energyline Limited is committed to:

- Continually improving quality through co-operation and involvement of all our staff.
- Understanding our clients' requirements and providing them with high quality services.
- Operating the business to an integrated management system in compliance with the requirements of BS EN ISO 9001: 2015.
- Ensuring that all our activities including those performed by subcontractors are managed so as to meet or exceed our clients' requirements.
- Enhancing the skills of management and staff through review and actively pursuing an on-going policy of training and development.
- Promoting the culture of continual quality improvement by cascading this Policy to all our staff and encouraging active contribution to its delivery.
- Promoting the quality management systems and ensuring implementation is achieved by internal auditing, management review, corrective and preventive action.
- Comply with all required legislation, relevant standards and statutes.
- Providing a framework for setting Quality Objectives.

Everyone is responsible for the quality within the company and for maintaining high standards.
